

STATEMENT OF SUBSTANCE OF INTERVIEW

[0004] Applicant would like to sincerely thank Examiners Hutton and Blackwell for conducting an in person interview with Applicant's representatives, Jesse Bennett and Kasey Christie, on November 4, 2009.

[0005] During the interview, the Examiners and Applicant's representatives discussed distinctions between the claims and the cited documents, namely Applicant's Background and Harrington #1. Without commenting on the propriety of the rejections, and in the interest of expediting prosecution, Applicant's representatives also proposed possible amendments.

[0006] The Examiners were receptive to the proposed amendments but requested that the amendments be formally presented in a Response to the Office Action. Applicant herein amends the claims consistent with the interview. Accordingly, Applicant submits that the pending claims are allowable over the cited documents of record for at least the reasons discussed during the interview.
